1. What do you think are your most valuable strengths or assets?
2. How would you like to use your strengths, skills, and talents to serve your community this service year?
3. How would you like to grow personally and professionally during your service year?
4. What skills or qualities would you like to develop?
5. Is there anything in particular you would like to learn or do?
6. What supports can Imagine Art provide you to grow and develop this service year?
7. Any additional thoughts you'd like to share as you embark on your service year at Imagine Art?
